

PATENT
IBM Docket No. BLD920000041US1

REMARKS

Claims 6-41 are rejected under judicially created doctrine of double patenting. In response, a Terminal Disclaimer limiting the claims in this patent to the life of U.S. Patent 6,577,907 is submitted herewith.

It is believed that the present response answers the issue raised by the Examiner. An early allowance of claims 4-41 is respectfully solicited.

Respectfully Submitted,

Carlos Munoz-Bustamante
